United States District Court
Southern District of New York

Re: World Wrestling Entertainment, Inc. v. JAKKS
Pacific, Inc., et al., 1:04-CV-08223-KMK

Dear Judge Karas:

Pursuant to the instruction from Your Honor's Law Clerk, we write on behalf of the JAKKS Defendants ("JAKKS") to request permission to submit a three (3) page reply to the fourteen (14) page letter brief submitted yesterday by World Wrestling Entertainment, Inc. ("WWE") in opposition to JAKKS' request that discovery be stayed pending the resolution of Defendants' motions to dismiss WWE's complaint.

Although WWE's lengthy exegesis does not even attempt to address, much less overcome, the controlling legal authority supporting a stay where, as here, compelling arguments exist that this Court lacks federal subject matter jurisdiction, WWE's letter takes great liberties by including facts nowhere found in its 75 page complaint and by interposing several new misleading factual and legal assertions that require correction. Accordingly, we respectfully request leave to file a short three (3) page letter replying to WWE's letter on Thursday, February 17, 2005.

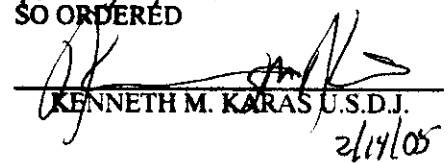

Respectfully submitted,

Jonathan J. Lerner

cc: All Counsel

JAKKS is allowed to file an additional three-page letter, but it must comport with the Court's instructions in the memo endorsed letter from WWE dated February 11, 2005.
SO ORDERED
